

GIVE BACK TO YOUR COMMUNITY, BE A VOLUNTEER

Fire departments need volunteers with various types of knowledge, skills, and abilities to be guardians of their community.

Besides the men and women who respond to emergencies, other types of volunteers are needed. Fire departments need the services of volunteers with experience in almost every sector, including business, accounting, marketing, medicine, law enforcement, mechanics, construction, computers, and fundraising.

BE A PART OF THE EXCITEMENT, THE TRADITION, THE SENSE OF FAMILY, MOST OF ALL, BE A GUARDIAN FOR THOSE IN YOUR COMMUNITY WHO NEED YOU.

NORTH CAROLINA URGENTLY NEEDS HELP

EVERY 1.8 DAYS A LIFE IS LOST TO FIRE

90% of NC Fire Departments are all or mostly volunteers.

They say that the way of life of helping each other has passed. That in this fast paced life we don't have time to be there for each other.

But Tar Heel pride sticks together through thick and thin.

There's no paycheck waiting in the ashes, no performance bonus for cutting the metal around a beating heart. The rewards are far more valuable than that. Far more personal. It's about going to bed knowing THEY can sleep easy.

Isn't it about time you found your inner hero?

This is our state, our town, our community in unity.
